Digital Photography with Linux

March Meeting: Digital Photography with Linux

Date: March 4, 2010 at 7 p.m.

Location: [Algonquin College \(Woodroffe Campus\), room B457](#)

Introduction to Digital Photography with Linux

Speaker: [Eric Brackenbury](#)

This presentation and demonstration will show some basic digital photography operations and some Linux tools that can be used for them.

About the Speaker

Small business computing for manufacturing retail purposes. Now moving to Linux for the last two years.
