Important notice to all members
From the oclug-board archives

We currently have only 3 names listed as possible directors

The bylaws say we are OK with only 3 directors, and can add more as needed until we get to the proper number. ...

About the Speaker

Ottawa IPv6 Summit

Speaker: various

The IPv6 summit held at the University of Ottawa on April 29 was a great success!

Some of the organizers and attendees will fill us in on some behind the scenes activities and report on some of the seminars.

This will be followed by a general discussion.

Swag alert!
Bart will be bringing 10+ IPv6 summit T-shirts, and other swag to the meeting.
Skill testing questions anyone?
