January Meeting: Open Discussion on UEFI

Date: January 2, 2014 at 7 p.m.
Location: Shopify Headquarters

We don't have a formal presentation tonight, however there has been interest expressed in UEFI and getting it to work with linux and having an open discussion/BoF meeting on the topic. In addition, Ian Gorman has offered to give a short presentation on how he is using R and OpenOffice to prepare slides for a talk (“Class A, B, and C Amplifiers”) that he will give to Ottawa Vintage Radio Club.
