## June Meeting: BBQ, Beer, BOFs

Date: June 5, 2014 at 7 p.m. Location: Smoque Shack

Unfortunately, we lost our venue this month due to Shopify's Hacker Week events. As a consolation, we have a reservation across the street at the Smoque Shack at 7:00.

Come out for discussions, food, beverages, break-out groups or whatever you feel like.

This also means we will not have a one hour pre-meeting item from 6:00 to 7:00 for people who are new to Linux, have general questions, etc.
