Vim Talk

December Meeting: Vim Talk

Date: December 4, 2014 at 7 p.m.
Location: Dymon Storage Boardroom, Carling @ The Queensway

Note: We have a fixed location for the 2015 meetings. Starting in January, we will be meeting at the Rosemount branch of the Ottawa Public Library, 18 Rosemount Avenue near Wellington. Street parking is available and there are bus routes (2, 14) that run nearby. As this is the OPL, we have to be done by 20:15

This month we will be having an informal talk on vim by Samir Hussein.

There will be a one hour pre-meeting item from 18:00 to 19:00 for people who are new to Linux, have general questions, or wish to help out with people who are just getting started.

After the main talk, there will be the opportunity for a GPG key signing. This is a standard offering, just look for Scott after the talk and we can go from there. Bring some kind of photo ID and some keyslips if you expect people to sign your key.

Vi IMproved

Speaker: Samir Hussain

Samir Hussein (of CREDIL) will be giving an informal talk about VIM plugins, frameworks available, the one he's using and a review of his favourite plugins and a list of ones he's heard of.

About the Speaker

Samir has a Bachelor's degree in Computer Engineering from University of Ottawa. He has been using Linux since 2000 and has participated in the Ottawa Canada Linux User Group, Ottawa Python Authors Group and GOSLING (Getting Open Source Logic INto Governments).

Samir joined CREDIL in July 2011. Since then, he worked on a number of database-backed web

application, added enhancement to a DNSSEC querying backend and created several automation tools. Prior to joining CREDIL he had worked as a mobile developer, Microsoft .NET web application developer and an IT consultant for an international non-government organization.

His areas of expertise are programming in Python, Ruby, bash, Java, C#. He is also an expert on DNSSEC.

He is currently serving as a board member of CREDIL.
