Venue

Centennial Library (Bells Corners), starting at 18:30

The Centennial Library is at 3870 Old Richmond Rd. in Bells Corners. Bus routes 57 and 88 are currently listed as servicing that area. Note that we will be done by 20:20, as this library closes earlier than the other location and we need to restore the room to the configuration it was in when we arrived.

Meeting agenda

Discussions

- During the “pre-meeting”, John Nash may be talking about his experiences with creating a club distro
- Managing a laptop configuration with Ansible - Scott Murphy
- Tug Williams has a talk at the ready if we finish early.
- Reminder that our AGM is in April. If you wish to serve on the board, feel free to self-nominate.
