Linux-Ottawa August 4 2022 Meeting.

We're uncancelled!

Jean-Francois Messier will present a discussion on Ventoy, the multi-OS live-USB system.

John Nash will set up a Jitsi instance on either meet.jit.si around 18:30 and post link on this page and send to the list as well.

Link will (apparently!) be

(previous link did not work).

NOTE: Katherine McMillan is in communication with the Professional Development Club at uOttawa in the hope of setting up an in-person meeting on the topic of Linux Advocacy. Tentatively early September. Interested? Please contact Katherine at kmcmi046 _at_ uottawa.ca and copy nashjc _at_ uottawa.ca or other Board members. We do need support for this to happen.
