Linux-Ottawa June 2023 Meeting.

Date/Time:

Thursday June 1st at 7pm

Format:

1. Online over Jitsi https://meet.jit.si/oclug_2023-06-01
2. Check mailing list for in-person clusters being hosted by other members.

Program:

Topics

1. Short presentation, and feedback request from Tug Williams "What can go wrong? Linux and the bs wifi driver" - Installing Linux on a 2013 HP Pavilion x2 and discovering unreliable RTL8723BS driver.
2. Regular lightning / open mic spot. We want to encourage everyone to bring up a tip or discussion topic, so we will have a regular spot (though last month was fully consumed by a very interesting discussion on the Wacom One)
