Scott Murphy 3

Scott Murphy

Scott Murphy is a long-time member of Linux-Ottawa (aka: OCLUG) and has been on the board for many years. He has a strong interest in systems management, open source, automation, security, and Unix like operating systems.

He is a member of the civil service and part-time consultant. He is involved with the operation of several local user groups and spends his remaining free time attempting to keep up with the continuously evolving landscape of the computer industry.
