### **Algonquin Location**

- Overall consensus seems to be positive
  - There is Parking
  - Access by bus

  - Possibility of getting students to show up
  - Free is better than not, as with the Library
- Result: Keep Algonquin as a location for the foreseeable future.

### **Raspberry Pi Day**

- Agreement to have one
- Need to find a venue
- Saturday preferred to get a whole day
- get info from Richard as to what events worked at previous Raspberry Pi days
- Advertise event through Buy a Pi (?)
- Late October
- Perhaps find some Halloween related projects

### **Other business**

- Let membership know that we are looking for topics and speakers
- Kelly handed off corporate registration documents to Bruce
