New Business

Algonquin Location

- Overall consensus seems to be positive
 - There is Parking
 - Access by bus
 - Minor inconvenience with projector
 - Minor inconvenience with room changes
 - Possibility of getting students to show up
 - Free is better than not, as with the Library

- Result: Keep Algonquin as a location for the foreseeable future.

Room booking

- In limbo due to waiting for Richard Hagemyer to get back to us about the September 1 booking before the actual meeting. Otherwise, we may have to postpone the meeting.

Raspberry Pi Day

- Agreement to have one
- Need to find a venue
- Saturday preferred to get a whole day
- get info from Richard as to what events worked at previous Raspberry Pi days
- Advertise event through Buy a Pi (?)
- Late October
- Perhaps find some Halloween related projects
