  - Topic
    - Speaker:
- April
  - Topic
    - Speaker:

Ideas for future meetings

- Package Management
  - R package Management
  - Speaker: John Nash
- Zombies/botnets
  - Speaker:

New Business

Algonquin Location

- Overall consensus seems to be positive
  - There is Parking
  - Access by bus
  - Minor inconvenience with projector
  - Minor inconvenience with room changes
  - Possibility of getting students to show up
  - Free is better than not, as with the Library
- Result: Keep Algonquin as a location for the foreseeable future.

Room booking

- In limbo due to waiting for Richard Hagemyer to get back to us about the September 1 booking before the actual meeting. Otherwise, we may have to postpone the meeting.

Raspberry Pi Day

- Agreement to have one
- Need to find a venue
- Saturday preferred to get a whole day
- get info from Richard as to what events worked at previous Raspberry Pi days
- Advertise event through Buy a Pi (?)
- Late October
- Perhaps find some Halloween related projects

Other business

- Let membership know that we are looking for topics and speakers

Adjournment

- 00:00
