Who wishes to remain on the board?

Ed will be leaving everybody else appears to be staying

New to Linux

GitLab page for learning, updates - access for others?

- Does GitLab allow for a sandbox area for submissions (from non-official members)?
- There are 3 levels of access
- John is the Administrator/Coordinator and in charge of awarding access
- We can have requests for additions added via pull requests that way they can come in and be reviewed if we don't actually know the person.
- James Romeo asked for access to contribute a list of questions and answers after going through an install.
