Address New Items

- NEW ITEM: bjb to relay lwn's offer to oclug

At OLS, bjb talked to John Corbet, lwn to offer 3 month trial subscription to lwn.

```
We need to announce this to the members. \\
ACTION: send announcement, and document on web site. \\
ticket:5
```

- NEW ITEM: wikipedia topic Linux_User_Group points to Linux Online (external links) which has outdated info about us:

http://www.linux.org/groups/canada/ontario.html

```
ACTION: JohnNash \\
ticket:6
```

- NEW ITEM: phpwiki updating

Some done today.

```
http://oclug.on.ca/phpwiki?pagename=RecentChanges&days= gives all the pages.
```

- NEW ITEM: mcr asks if we should retire phpwiki in favour of using trac's wiki.

MCR asks if we can convert automatically.... no.

```
Ian points out that phpwiki has vulnerabilities. \\
ACTION: mcr will look at converting phpwiki pages to static HTML. \\
DISCUSSION ensused.\\
We agreed to make phpwiki read-only for now,
and point people at trac for new content. \\
We need to have a 10-line summary of the process, and an announcement
```

```
that we are doing this.
```

- NEW ITEM: donation tracking in meeting model on site

As part of the announcement (on the django web page), we can include an amount

```
of donations for each meeting.  We will not be displaying this publically.
```

- NEW ITEM: Open Source Weekend decided to wind-up, and donate the resulting

money to OCLUG.

- NEW ITEM: meeting locations, hold downtown again sometimes?

A number of people have expressed displeasure with the Algonquin College location,

```
and would prefer it was downtown again, maybe sometimes. \\
Some discussion.  Noted that a number of people are attending at Algonquin
who did not attend downtown.  Start a wiki page... \\
OclugMeetingLocationOptions \\
Proponents are asked to please come up with location suggestions.
```
