## September Meeting: Cancelled

Date: September 1, 2016 at 7 p.m.

Location: [To be determined](#)

I have not been able to obtain confirmation on the room for September as of today, so I'm cancelling the meeting.

If you still want to get together, we could still meet up at Chances R on Thursday. More of a social event than a regular meeting. I should have a proper set of rooms booked for October. Last year we had a similar problem, as Algonquin was not willing to allocate a room right at the beginning of the fall semester.

The topic was going to be ransomware with Patrick Malcolm, so if he is willing, we will have that in October.
