Linux Symposium in Montreal

Special Event: Linux Symposium in Montreal

Date: July 13, 2009 at 9 a.m.

Location: [Centre Mont-Royal, Montreal](#)

The [Linux Symposium](#) has been an annual event in Ottawa for ten years, but this year it has gone “on the road” and will be at the Centre Mont-Royal in Montreal.

OCLUG is not affiliated with the Linux Symposium but the Linux Symposium has been an extremely useful and affordable conference in our community, and the organizer has requested help to increase attendance in this difficult economy. Please pass along the conference details to anyone that you know may be interested.
