Special Event: FOSSLC: "Which open source license is the best?"

Date: August 31, 2009 at 9:30 a.m.
Location: 26th floor of 160 Elgin St - in the Gowlings board room

FOSSLC is putting on an event this month:

> This event is a debate between proponents of the GPL, EPL, and Apache licenses. Which license is the best license for business? For community? For academia? What are the key factors that influence the decision regarding an open source license? Are there certain things you should look out for?
>
> This event will educate and entertain in the form of a debate between experts. The debate will be moderated by a practising lawyer proficient in open source licensing.
>
> This event will bring experts together to discuss and debate these questions.
