Don Kelly	3
Talks given:	3

Don Kelly

Don Kelly is an Ottawa-area programmer with a decade's worth of time in the software industry. His first exposure to Linux and free software was in the early 1990's while trying to run PennMUSH on an donated 486. For those who might wonder: his preferred editor is Emacs.

Talks given:

2007.08.07 August Meeting: [Building a local Coding Dojo using Free Software](#)
