Jobs and Seekers

This page is for Linux Ottawa members to announce job opportunities or present those seeking employment or contract work. To submit an item please send plain text information to

board-members@linux-ottawa.org.

Please add a heading to each item of the form 'YYYYMMDD - title' with TOP most recent.

20200511 -- Linux support work on occasional basis

Looking for some one with verifiable experience supporting Linux Ubuntu servers. Other areas of expertise that are an asset are Cisco small business router, VMware, network and system security. This is for occasional requirements with small projects completed in evening or on weekends.
