Important note: **LITW is a potluck picnic this year.**

Previous LITW events have been held at Vincent Massey Park but this year they can offer fewer amenities since they are under renovation. Since they've doubled their fee for this priviledge, we're seeking an alternate venue.

Volunteers

Volunteers for the event would be greatly appreciated. The more, the merrier. Every little bit helps. No amount is too small.

If you would like to help out, please add your name to the Volunteers list below, stating what you will help out with. Duties to be assigned:

- Helping with setup/cleanup (as many as we can get)
- "Linux Ambassadors" to answer any questions from passers-by
- Anything else you want to do

Here are the people who have volunteered so far:

If you are interested in volunteering, login and add yourself to the list above or contact Eric Brackenbury (eric "dot" brackenbury "at" gmail "dot" com).
