Attending

- Bart, Lisa, John, Ian, MCR

Payment options

We will be accepting payment on the ipv6summit.ca web site. We need to decide how exactly, and determine how much it will cost us.

- moneris (OCS plugin available)
- paypal (builtin to OCS) - (yes)
- north star solutions (?)

What to do with the money if there is some

- repeat next year
- swag wishlist (with prices) + lead times
- bring speakers (?) maybe too late

Prices

- 50-65

Rooms

- April 29. (relatively firm) john is working on it
- MBA dept connection?
- Contact speakers to book schedule (confirm date, but ask them to not pay anything yet)

Social Networking

- bart has created twitter+identica
- create facebook group (mcr)

To do

- use twitter to build followers

- launch website with some basic content
- contact volunteers (lisa) soon
- Announce that conference exists
- ask if someone would like to speak
- guidelines wrt streams “business/management” + “technical”
- aim for volunteer get-together early Dec.

Site content

- divide into streams
- sell two different
- cross-stream (into) talks < 30 mins
 - sell it to your manager
 - what managers need to know technically

IT people at UofO

- Trevor is excited (sent a form to John)

Networking the conf

- Pierre Fortier? edu gigapop (mcr)
