- What is Linux?
- Win2Lin - Windows to Linux transitioning

Choosing a new computer

Obviously, this is a constantly evolving topic, and one that is critically related to personal and institutional needs. Given this site, the OS will be **Linux**! We can, of course, get a small war going with distro choice discussions.

2019: Specs for a new desktop/tower computer

As a concrete example for discussion, see 2019: New Tower Computer
