Admin email 4

This is an attempt to list the system administration people helping with tux. Board of Directors *should* have contact information for everyone involved. This list should give a hint about who to contact first when problems arise.

Hardware

- power, internet access and rack space provided by rgb
- upgrade process by bjb, rgb, (+others)...

Remote backups

- remote storage space, automated DB and file backups by mcr

E-mail spam filtering

- set up and maintained dave0

Mailing lists

- approve messages, administer lists (?)

Wiki

- admin users eric, john, roland, bart, bjb, mcr, wardi
- trac skin customized by lisa

Meetings postings

- meetings posted by roland
- code maintained by wardi
- other admin users eric, lisa, bjb, rgb, mcr, kenziem, taylorj

Jobs postings

- approved by wardi and bart (email notifications configured in /etc/aliases)
- code maintained by wardi

Planet (aggregate members' blogs)

- blogs added/removed and code fixes by wardi

Admin email

- errors emails generated by the system go to bjb, wardi
