Table of Contents

I have been using Linux at home since 1994 and at work since 2001.

I joined OCLUG in 1997 or 1998–I can't recall when exactly.

In 2008, I served on the OCLUG board.

My current focus for my home projects include: configuring my VOIP telephone system, virtualizing some of my noisy machines and trying to automate some of my photo workflow.
